INCREDIBLE
INDIA!

Hi! I'm Nina Siemaszko.

I love to travel, practice yoga, eat yummy foods, and see the world. I created these elevated adventures as the travel + retreat arm of Joy Is Not Optional—an extension of my philosophy that joy, play, and connection are essential to living fully. With me, nothing is mandatory. Want to skip the day of events? Want to do ALL the days events? DO YOU, BOO.

You're never obligated—take what you need. Along the way, you'll forge lifelong friendships and explore the globe. Together we'll experience new cultures, taste the beauty of the natural world, and discover fresh ways to stretch—your body, your mind, and your sense of adventure. Join me on a journey that's equal parts joy, growth, and discovery.

Elevate your spirit.

Eat the cake.

TAKE THE TRIP.

Let's see what's out there.

**xxx,
Nina**
